guarantees you an official race t-shirt!**

The Gold Star Memorial Trail started as a grassroots initiative to provide a safe, off road, hiking and biking trail connecting communities from Mayville to Beaver Dam.

Honoring a request on behalf of Gold Star Families, the Trail will honor local military service members who have been killed in action.

Memorials will be placed along the trail to honor and remember local heroes.

The Trail will also promote recreational, economic and tourism development to surrounding communities.

Stick around after the race for Horicon's own **Jersey Street Music Festival**

The Jersey Street Music Festival is a multi-genre musical celebration featuring some of the best new local, regional and international talent for one phenomenal weekend of free music. The Jersey Street Parade starts at 11am on Saturday with music immediately after.
